

STAN MAREK

President and CEO, Marek Family of Companies

Biography

Stan Marek is the president and chief executive officer of the Marek Family of Companies, one of the largest interior contractors in the Southwest. A native Texan, Stan earned a Bachelor of Science degree in finance from Texas A&M University. He began his working career in the drywall industry during summers in high school and continued part-time until completing his tour of active duty with the United States Marine Corps Reserves.

In 1970, Stan worked as a journeyman carpenter on large commercial projects before joining the Marek Companies, eventually becoming president in 1982. He was a member of the founding group of the Construction Career Collaborative and has been sponsor of the Rational Middle Immigration social media platform since its inception. Stan is the co-author with Loren Steffy of 'Deconstructed' an insider's view of illegal immigration and the building trades. In 2015 he was inducted into the Texas A&M's Constructors Hall of Fame.
